## Objective

The purpose of this online course is to provide a thorough introduction to European asylum and immigration law. EU legislation, policy documents and case law of the CJEU will be presented. Participants will be able to deepen their knowledge through interactive discussions and case studies.

## Who should attend?

The course is suitable for practitioners seeking a thorough introduction to the various instruments in European asylum and immigration law.

## Interactive Online Summer Course

The summer course will be hosted online. You will be able to interact immediately and directly with our top-quality speakers and other participants.

- You experience our speakers live as in a face-to-face event.
- Discuss your own questions with participants from other countries and professions.
- Participants receive a link to all the necessary seminar documents before the course.
- Technical support during your participation.

No travelling, no overnight stay - you save time and money

## Your benefits...

- Thorough introduction to EU asylum and immigration law
- Up-to-date sessions including the latest developments
- Practical and interactive approach
- Top-level speakers with diverse profiles
- Opportunity to interact with fellow practitioners
